## DOWNLOAD AND INSTALL UNITY HUB, UNITY AND VISUAL STUDIO

# Step 01: Download and Install Unity Hub

In a new tab either search “Download Unity Hub” or go to <https://unity3d.com/get-unity/download>

In Unity Hub you can download and manage the versions of Unity most effectively.

The screenshot shows a web browser window with the URL [unity3d.com/get-unity/download](https://unity3d.com/get-unity/download). The Unity website header is visible, including the Unity logo and navigation links: Products, Solutions, Made with Unity, Learning, and Support & Services. On the right side of the header, there are links for 'Get started', 'Asset Store', a search icon, and a user profile icon. The main content area features a large heading 'Download Unity' and a sub-heading 'Download Unity Hub' which is highlighted with a red box. Below the heading, there are two green buttons: 'Choose your Unity + download' and 'Download Unity Hub'. A blue link 'Learn more about the new Unity Hub here.' is positioned below the buttons. To the right, there is a section for 'System requirements' with text detailing OS and GPU specifications, and a blue 'Learn more' button. Below that is a 'Releases' section with a list of links: 'Long Term Support (LTS) releases', '2019 LTS', and 'Pre-release technology'. At the bottom, the 'Resources' section is partially visible.
